```

The diagram illustrates the include relationships for the `smacc2` library. A central box at the top, representing `smacc2/include/smacc2/smacc_signal.hpp`, has two arrows pointing downwards to two other boxes. The left box represents `boost/any.hpp` and the right box represents `boost/signals2/signal.hpp`. This indicates that `smacc2` includes both `boost/any` and `boost/signals2`.
