

```
sm_dance_bot_strikes  
_back::f_pattern_states  
::StiFPatternRotate1::staticConfigure
```

A diagram illustrating a static method call. A grey box on the left contains the code for calling `staticConfigure` on the `StiFPatternRotate1` class. A blue arrow points from this box to a white box on the right, which contains the definition of the `staticConfigure` method within the `smacc2::SmaccState` class.

```
smacc2::SmaccState  
< StiFPatternRotate1  
< SS >, SS >::configure  
_orthogonal
```
