

ABORT

The diagram consists of two main components. At the bottom is a large rectangular block divided into three horizontal sections. The top section is shaded gray and contains the text 'sm_multi_stage_1::mode', '_2_sequence_b::StiMode2Sequence', and 'BStep1::TIMEOUT'. The middle and bottom sections are also shaded gray but are empty. Above this block is a smaller rectangular block divided into three horizontal sections. The top section contains the text 'ABORT', while the middle and bottom sections are empty. A blue arrow points from the top edge of the bottom block to the bottom edge of the top block, indicating a transition or relationship between the two states.

sm_multi_stage_1::mode
_2_sequence_b::StiMode2Sequence
BStep1::TIMEOUT
