```
graph LR; A[smacc2::ISmaccOrthogonal::addClientBehavior] --> D[smacc2::ISmaccOrthogonal::getName]; B[smacc2::ISmaccOrthogonal::initState] --> D; C[smacc2::ISmaccOrthogonal::runtimeConfigure] --> D;
```

The diagram consists of four rectangular boxes. Three boxes are arranged vertically on the left side, and one box is on the right side. Each box contains text representing a C++ class and method. Three blue arrows originate from the right side of the three boxes on the left and point towards the left side of the box on the right. The box on the right is shaded gray, while the others are white with black borders.
