

cl_nav2z::backward
_global_planner::BackwardGlobal
Planner::createPlan

```
graph LR; A["cl_nav2z::backward  
_global_planner::BackwardGlobal  
Planner::createPlan"] --> B["cl_nav2z::backward  
_global_planner::BackwardGlobal  
Planner::createDefaultBackwardPath"]
```

A diagram showing a call to the `createPlan` method of the `BackwardGlobalPlanner` class in the `cl_nav2z::backward` namespace. A blue arrow points from this call to the `createDefaultBackwardPath` method of the same class and namespace.

cl_nav2z::backward
_global_planner::BackwardGlobal
Planner::createDefaultBackwardPath
