The diagram illustrates an inheritance relationship. A blue arrow with an open triangular head points from the bottom class to the top class. The top class is white with a black border and contains the text 'boost::statechart::event< EvWaypoint199 < TSource, TOrthogonal > >'. It is divided into three horizontal sections by thin black lines. The bottom section is empty. The middle section is also empty. The top section contains the text. The bottom class is gray with a black border and contains the text 'cl_move_base_z::EvWaypoint199 < TSource, TOrthogonal >'. It is divided into three horizontal sections by thin black lines. The top section contains the text. The middle section contains the text '+ waypointIndex'. The bottom section is empty.
