

SUCCESS

```
stateDiagram-v2
    state sm_ferrari::StState2 {
        [*] --> SUCCESS : NEXT
    }
    state SUCCESS
```

The diagram illustrates a state transition in a state machine. At the bottom is a state box for `sm_ferrari::StState2`, which is shaded gray and contains the label `::NEXT` in its top section. A blue arrow points upwards from this state box to a target state box labeled `SUCCESS`. The `SUCCESS` box is white and also contains the label `::NEXT` in its top section. Both boxes are divided into three horizontal compartments by two lines each.
